Yousef,

It was so very good to hear from you. And, am excited to work with you in the future. Paula is the first suggestion I would make to you as you like Brunettes. Don't forget your wish list.

Tracy,

The names I'm initially interested in are the following:

1. Jennifer Korbin
2. Jessica Difeo
3. Jessica Conseco
4. Paula LaRocca
5. Veronica Becerra

These are in no particular order.

Have you ever seen Jessica Conseco? The reason I'm asking is that I think that's a pretty old picture so I was just wondering if she still looks like that.

When you get a chance, send me your account details and I'll transfer some money to your account.

Yousef

Dear Yousef,

Attached is a letter from Nici, please for my sake keep it confidential, but I wanted you to see the pressure she is putting on me not to work with you, I don't understand, she is under the mistaken impression that I am trying to take her accounts, I never once asked anyone for any numbers, the clients called me who were dissatisfied of her services and performance.

So, just so you know, can you pass this on to Bella as well as you are good friends, I like Bella, I feel warmth within her as I do in you. Those relationships make the best.

Tracy
